Do you know where you're going to?

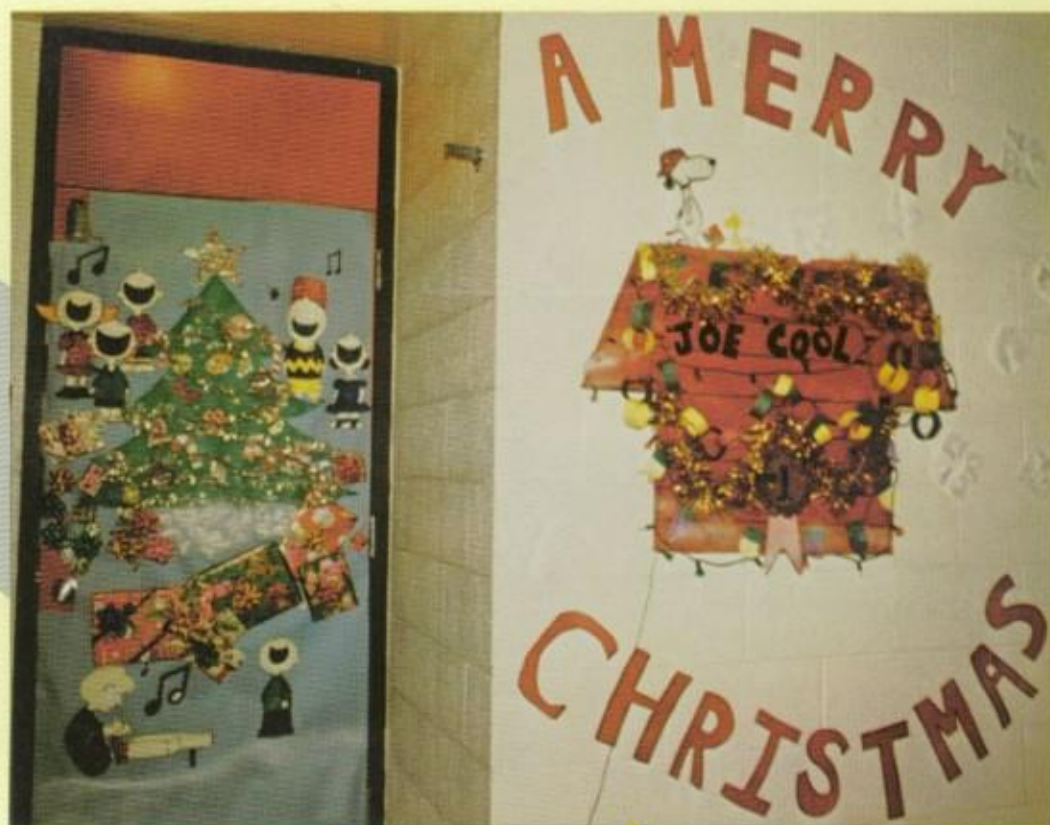

*Do you like the things
that life is showing you?*

*Where are you
going to,
Do you know?*

*When you look behind you,
there's no open door.*

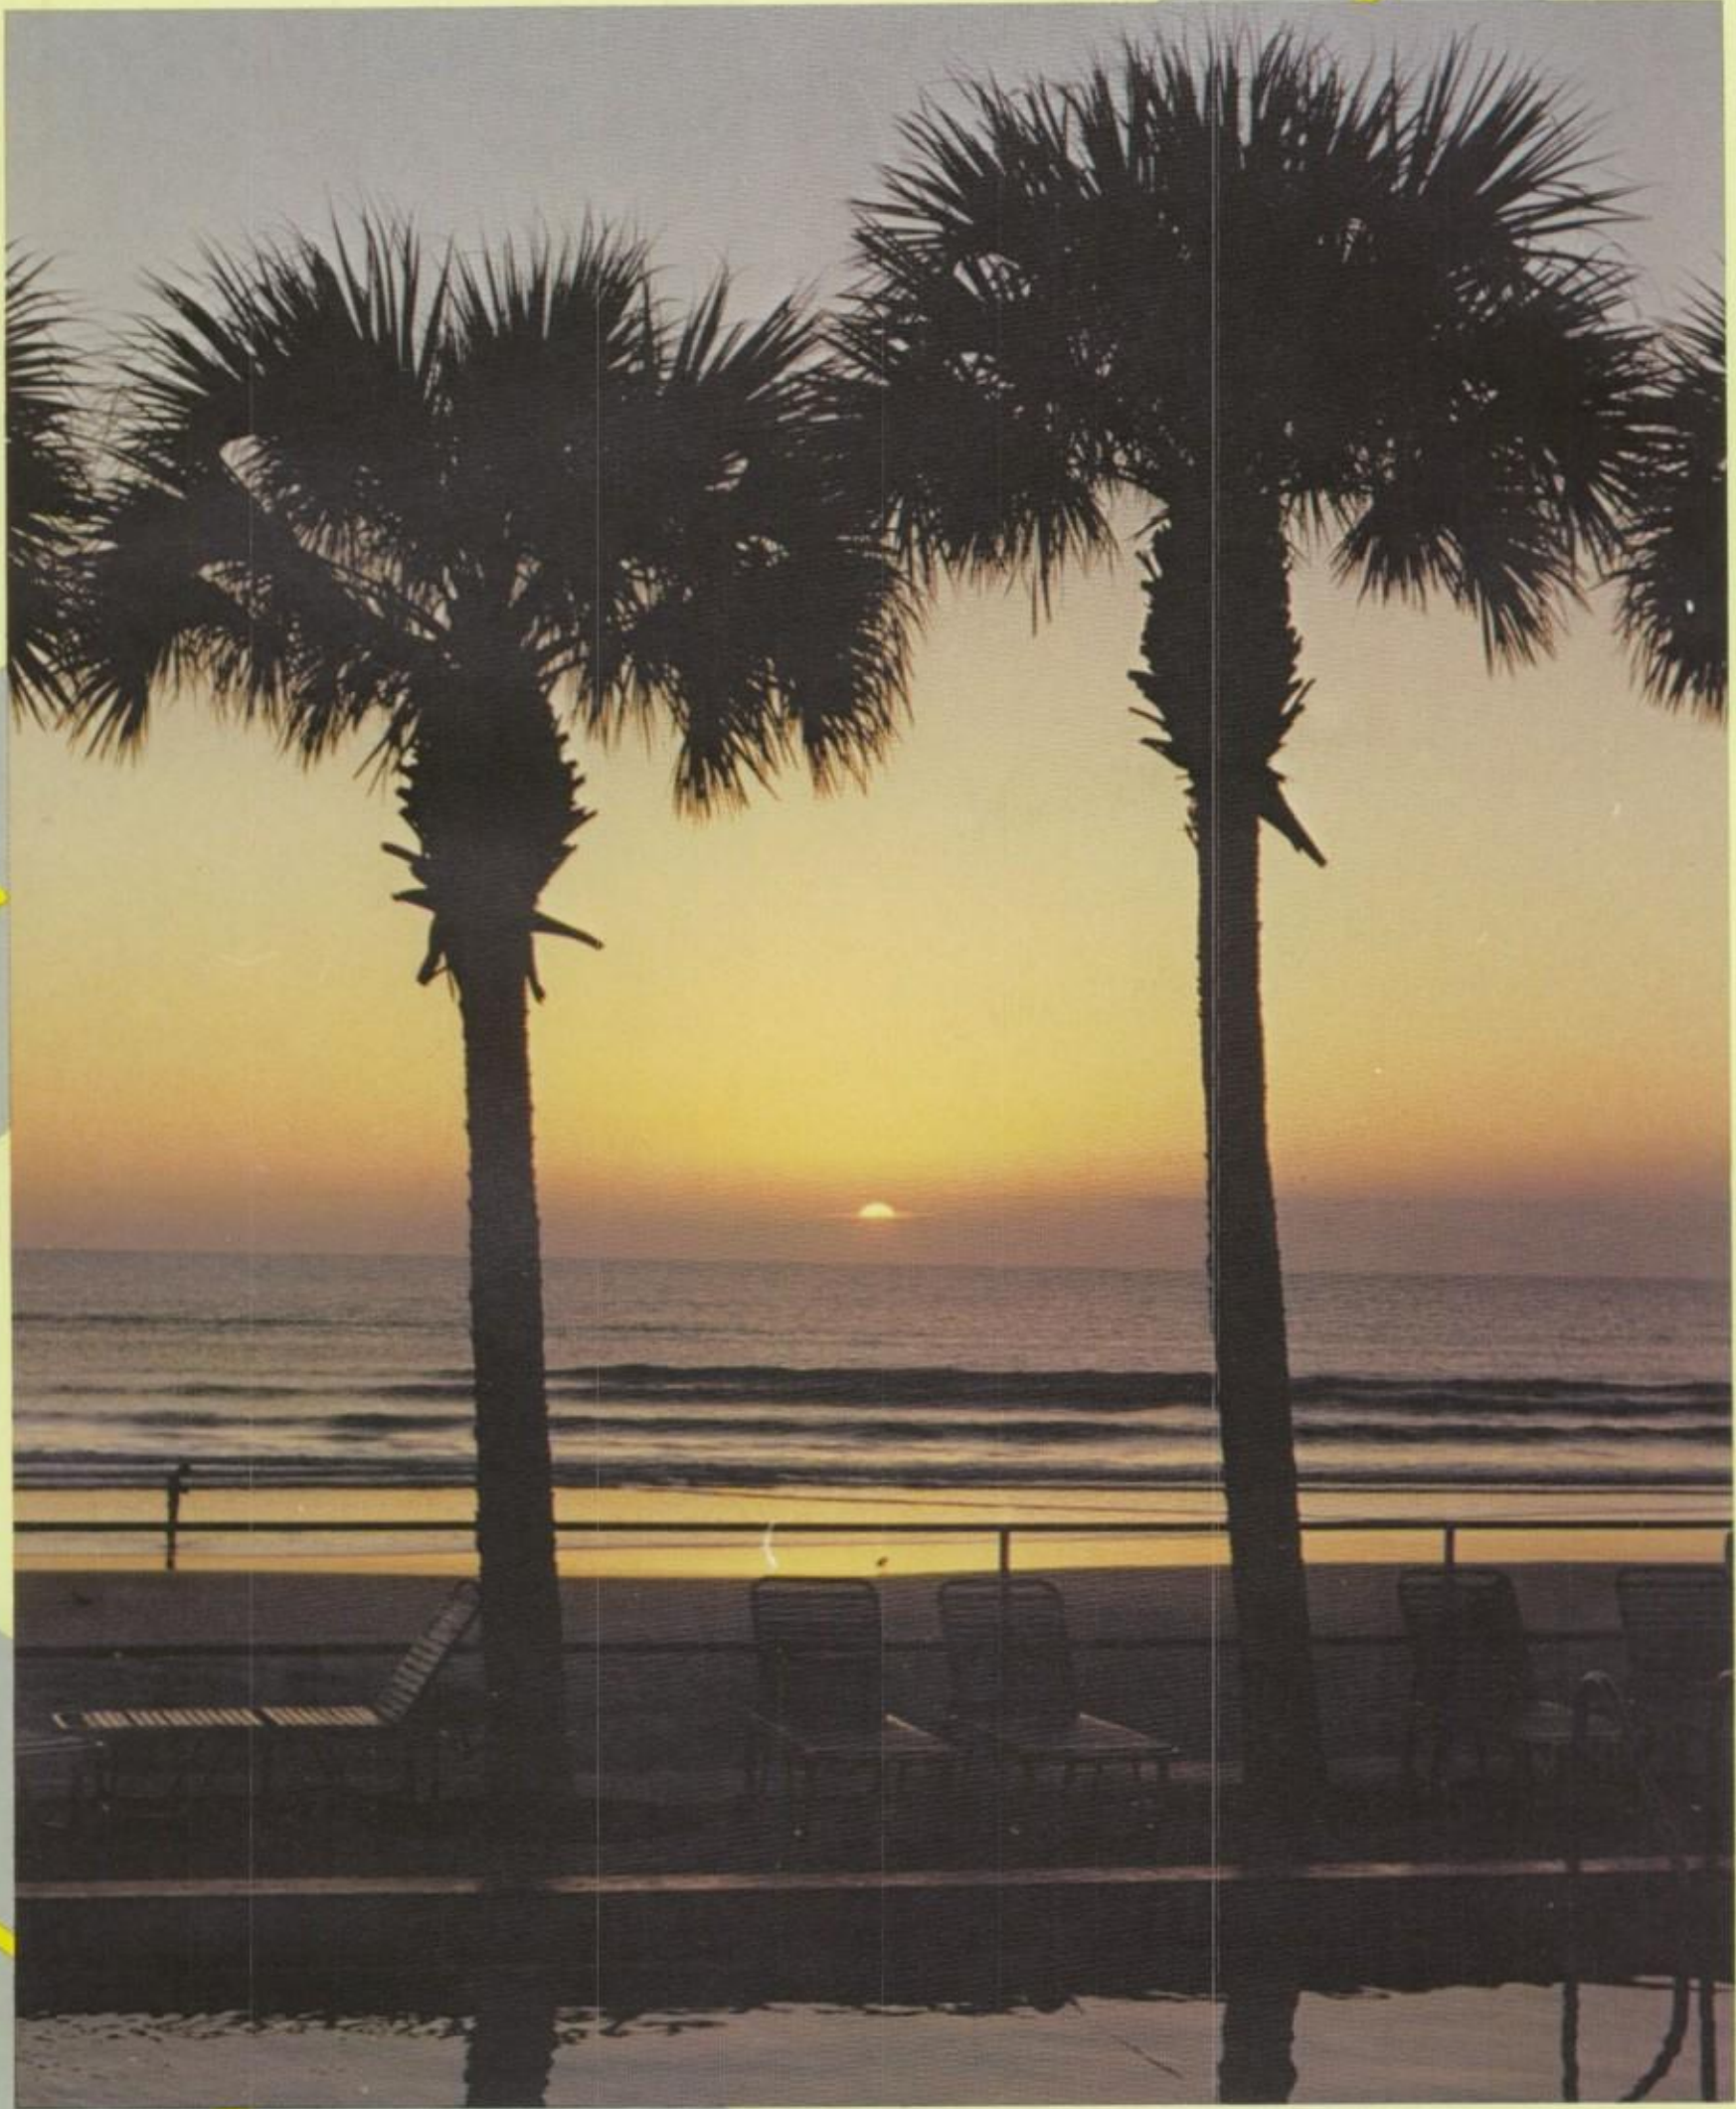

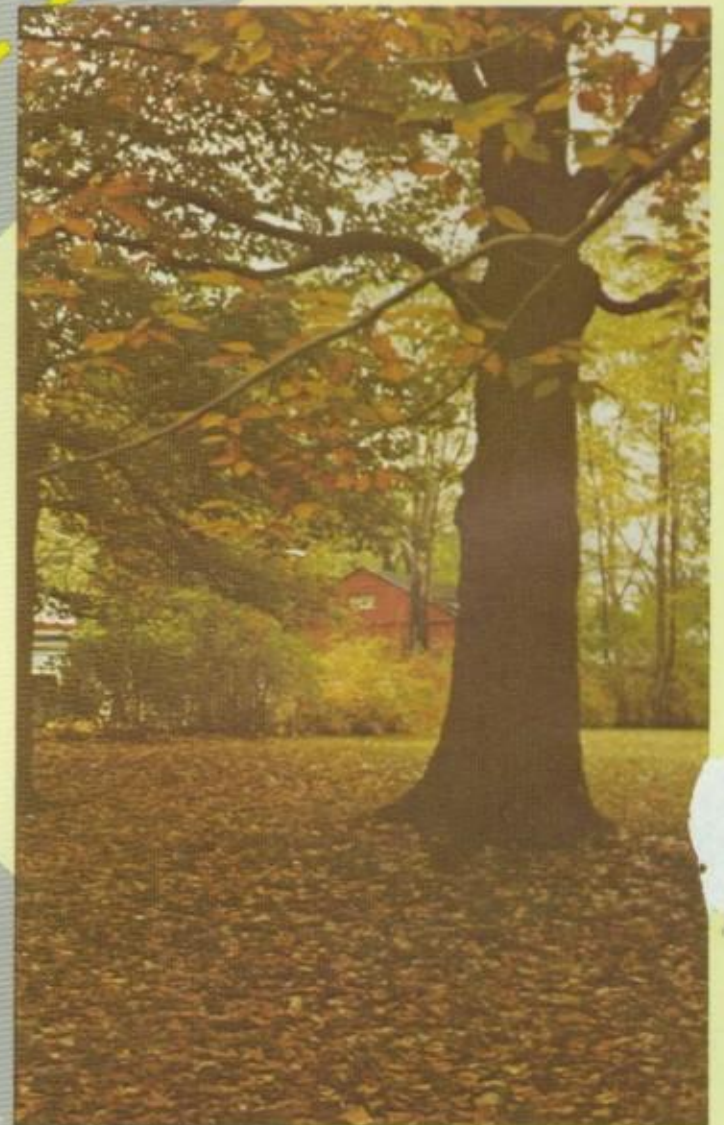

*What are you hoping for?
Do you know?*

*You know how I loved you, but my spirit was free,
laughing at the questions
that you once asked of me.*

Student Life

Illustrating this year's theme, fairy tales, the first place Junior float, "RUB 'EM OUT COLTS," featured a genie rubbing a smoking lamp, wishing for a Colt victory, while riding on her magic carpet.

Instead of pulling the floats by car, this year the floats were carried like rickshaws. This decision was made to increase class involvement and to protect the new track surface.

ABOVE LEFT: The colorful Freshmen float took 4th place. RIGHT: Placing 3rd in the float competition were the sophomores. BELOW LEFT: The Juniors won 1st place with their well designed float. RIGHT: The crowd enthusiastically cheers our varsity team on to a victory. OPPOSITE RIGHT: Queen, Sue Dombrowski and King, Scott Sterrett enjoy their royal dance together. ABOVE RIGHT: Excitement builds as the court is introduced and the King and Queen are about to be announced.

Colts vs. Yellow Jackets brings victory

October 12, 1979, was a cold, windy night. A crowd of 3,000 people waited to see the Troy Colts' Homecoming Game against the Avondale Yellow Jackets. Despite the weather, spirits were sizzling, and the crowd helped fire-up the Colts to a 23-14 victory.

Dance caps Homecoming festivities

The Troy Colts win 23-14 over Avondale Yellow Jackets set high spirits for the annual homecoming dance. Over one quarter of the student body attended the October 13 event in their party-going finery to enjoy the "Three Plus One" disco band.

A variety of rock, disco, and easy listening music got everyone showing their best moves. Guys in flashy pinstriped suits and girls in sexy, side-slit dresses were dancing to songs such as: "Le Freak," "Hard Days Night," "Reunited," and "Help Me, Rhonda."

Not to be outdone by the younger generation, the faculty chaperones joined in on the fun.

Council takes control of school decisions

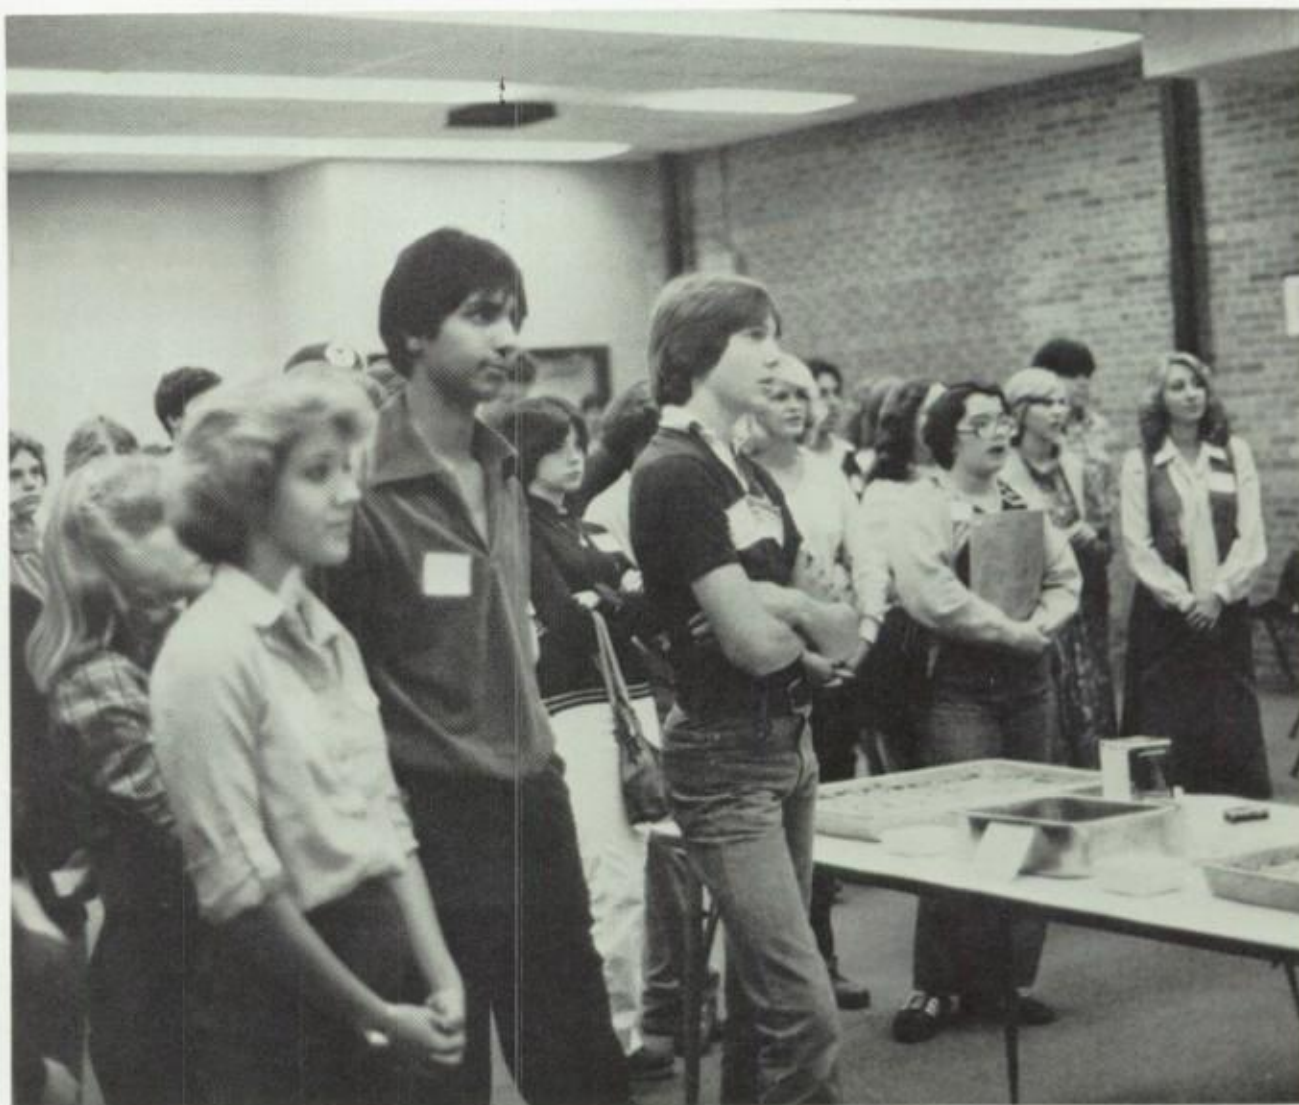

"This year's student council is working hard toward their major goal-improvement in school participation," comments Chairperson Tom Brown. One of the major projects undertaken this year has been the changing from the O.A.L. League to the Class "A,"

S.M.A. League. Many workers and conferences are attended by the council to help prepare us for this change. Update on these activities has been made available in the Student Council News Section of The Northend.

THS marching band plays our songs

Mr. Urso (above right) conductor of the marching band, spends much of his time preparing successful programs for concerts and halftime shows. Jerry Taylor, (above left) Senior drum major, then takes over and leads the marchers through intricate formations. Four seniors were picked for outstanding marching from this 1979-80 band. They were Kevin Corbin, Jeff Eaton, Debbie Fondow (right) and Martin Wagner (opp. page left).

The band members start practicing bright and early in the school parking lot (above left). This is to get ready for the outstanding performance at a home football game. This year's band also gave a band concert in our gym

during a school day (below). They played such songs as: "Nobody Does It Better," and "Don't Cry Outloud." The Seniors alone, played "Yesterday," which said a tearful goodbye to their high school band careers.

TOP RIGHT: Drum Major Jerry Taylor directs, as the band plays one of its many T.V. theme songs.

FAR RIGHT: Flautists high step their way into the concert.

On December 21, the THS bands had their annual winter concert. After marching into the old gym, the Varsity Band played many selections. These included the "Basin Street Blues," and the themes from "Sanford and Son," "Fish," and "Barney Miller." The Symphony Band was also present.

Debbie Fondaw, Jeff Eaton, Kevin Corbin, and Marty Wagner were acknowledged as the band's most valuable seniors.

The Fine Arts Festival is a combination art show and performing evening. This is not a judged show, but a display of students work: drawings, paintings, ceramics, and jewelry.

Ms. Stern and her Mime Time Players presented "The Bus Stop," "The Robot Intro," "The Dentist," "Ups and Downs," "Le Box," and "Hobo Bill."

Also at the Festival, Ms. Sears accompanied the girls' ensemble, Stardust, with a medley of songs. Soloist Julie Piscopo sang "Babe" (made popular by Styx) and was accompanied by Julie Kochjada on the flute.

Members of Mr. Urso's band, Amy Micheau and Sherri Hansen, performed pieces by Beethoven and Mozart.

The full house in rooms 120-121, Thursday, December 13, applauded the fall play *On Stage*. A medley of theatrics, ranging from comical and dramatic one-acts to a taste of mime and dancing.

Approximately sixty people were involved in the entire production. Thirty of these people—those responsible for costumes, make-up, promotion and crew work—were not seen on stage; however, the show could not have gone on without these people: They made it all "click."

Kevin Kostoff and Marc Fisher propose a toast in Neil Simon's *Chapter Two*.

Ralph Angouli and Laura Hagle in Shakespeare's Taming of the Shrew.

Under the superb direction of Ms. Nancy Stern and eight student directors, the theatre ensemble worked for two months, three hours a night, to make the fall show a success. And a success it was, as shown by a standing ovation Thursday night.

FAR RIGHT: Rich Miller, Detective Hawkshaw, is suspicious of the bill.

May 8, 9, and 10 brought many people to Boulan Park Middle School, those people who were hungry and those who wished to see excellent acting. The Troy Theatre Ensemble presented Hawkshaw, the Detective and "The Olio" with complete dinner or "just dessert."

Hawkshaw, a western melodrama, has the proverbial hero and heroine whom Detective Hawkshaw saves from the nasty villain and villainess. Three months of learning lines, finding western props, and building sets all paid off, for one rehearsal was aired on WJBK Channel 2's P.M. Magazine and the performances were played before three near sell-out audiences.

MIME PLAYERS: LEFT TO RIGHT: Linda Elliot, Laurie Barnes, Kevin Kostoff, Chris Michael, Tom Gospel, Eric Voetberg, Laura Hagle, Rich Miller, Don Ambory.

The THS Mime Time Players appeared on the Double Dip Sunday children's television program produced by WDIV, in January, 1980. They were guest performers of The Double Dip Drama Society. At the close of the show, interviewed by puppets were Eric Voetberg and Chris Michael.

The Mime Time Players were invited to perform their first out of state performance, at the American Theatre Associa-

tion Convention, in Wisconsin. Director Nancy Stern and Assistant Director Lee Seaton are proud of the troupe's success.

In addition to this, the troupe travels to elementary schools performing and conducting workshops in the ancient art of mime.

The National Honor Society is composed of students who are leaders and who contribute to the school and to the community. They are inducted every spring on the basis of grades, leadership, and character—as judged by the THS faculty. This year, NHS had a canned food drive to provide for needy families at Thanksgiving. The members sold bagels and ran the concession stand at home basketball games. To be an NHS member is not only an honor, but lots of fun as well.

Forensics shines when Updike places 7th in State

FORENSICS TEAM—FRONT: Lori Luzader, Kris Wangbichler, Louanne Wilkes, Stella Stanton, Michelle Winter; BACK: Tom Bruns, Steve Perry, Eric Ball, Steve Updike, Lynn Pellerito, Sue Teske.

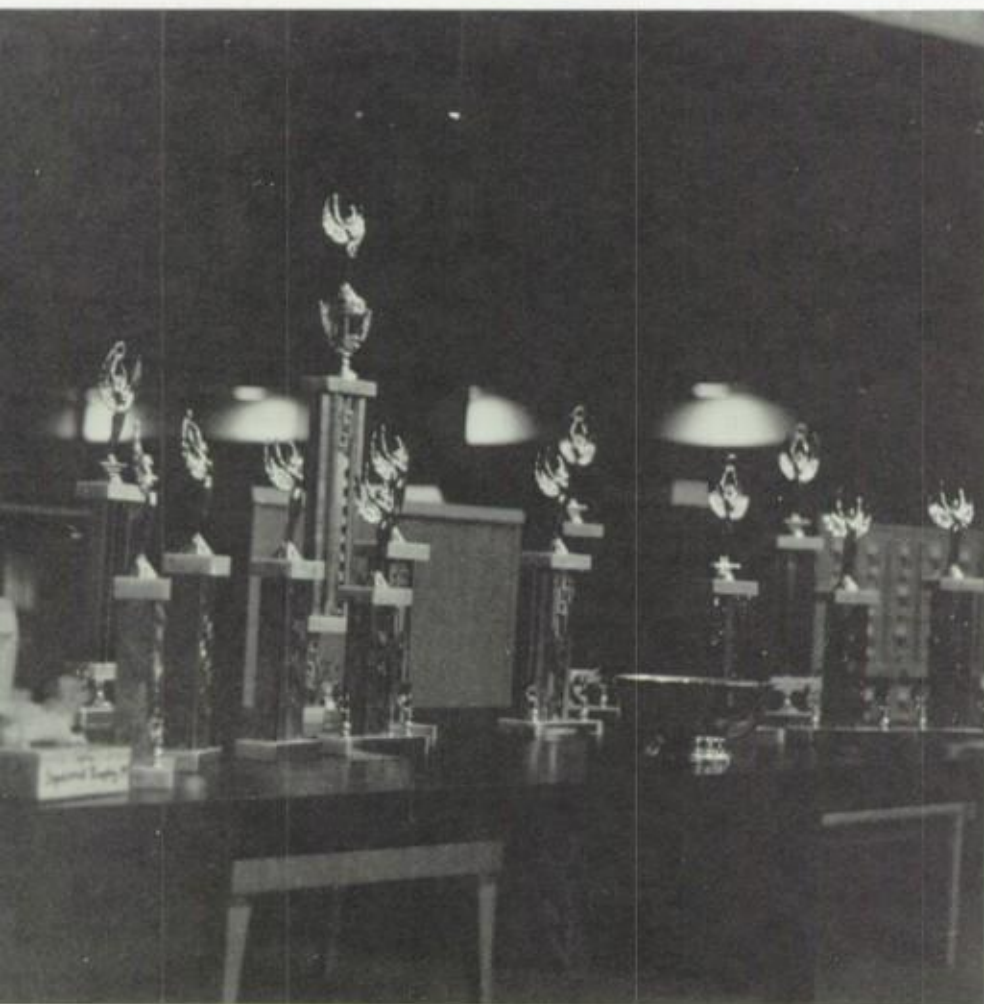

Forensics is the art of public speaking. This is not only delivering speeches, but also interpreting from novels, reading children's stories, and preparing radio broadcasts.

Ms. Nixon-John teaches a Forensics class during sixth hour. She also coaches the team and accompanies them to all of the competitions. Steve Updike was this season's outstanding speaker, for he placed seventh in state competition at the University of Michigan.

Forensics is a fun way for the students to gain exposure to new literature and to gain self-awareness and self-confidence.

SEASON'S STARS

Brian Drake, Steve Perry, John Lester, Eric Ball: 1st place MMDL (Middle Macomb Debate League); Undefeated in Districts; State Finalists.

Luanne Wilkes: Novice 1st place team-MMDL; 1st place affirm 79-80 SEMDL (Novice League); 2nd place team Sterling Silver Tournament.

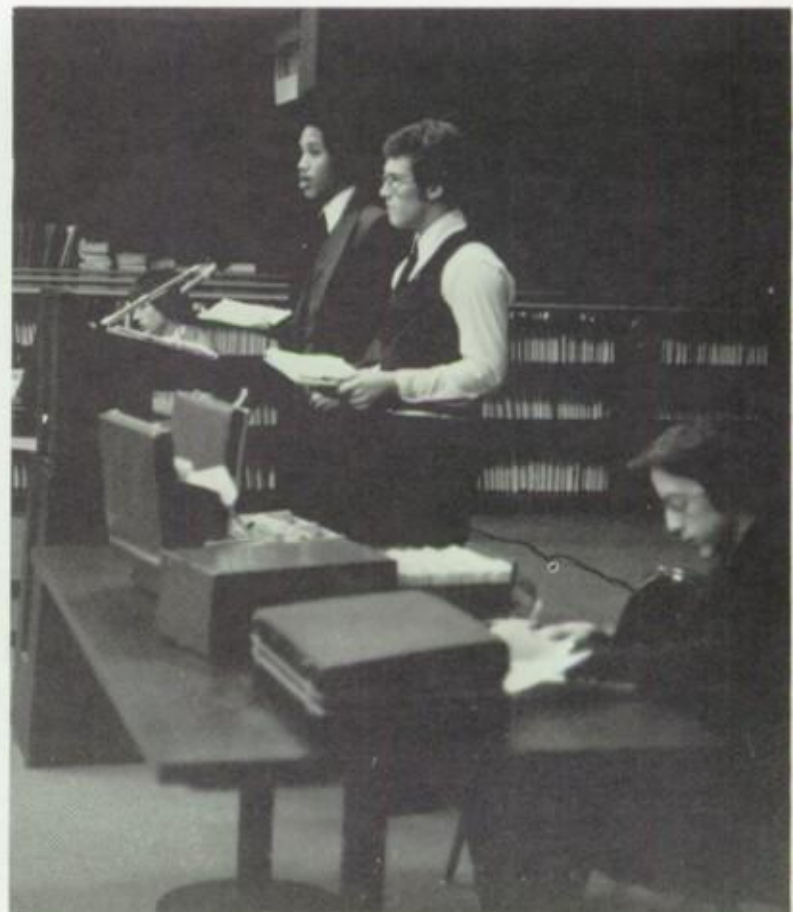

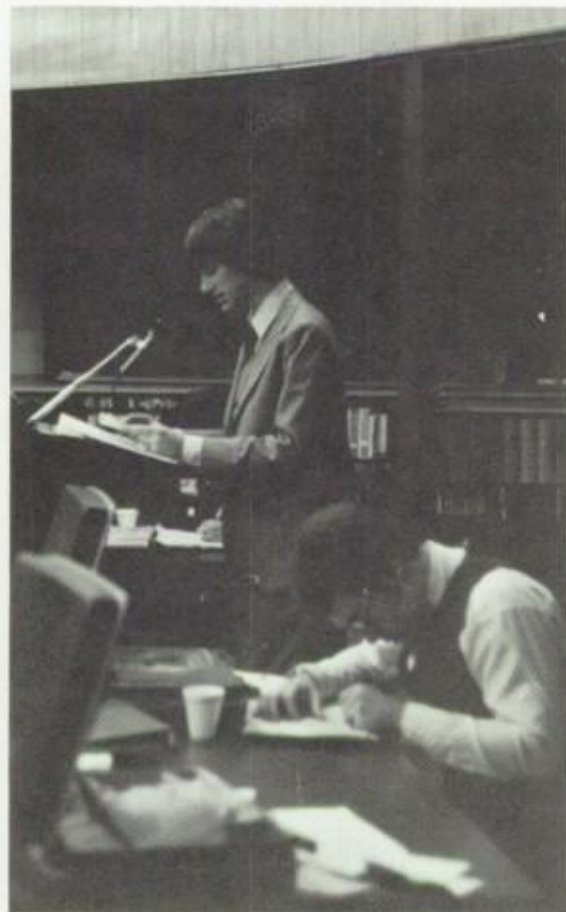

Karen Pakizer: 2nd place-Sterling Silver Tournament.

Robin Sofferin, Mary Ellen Coon: 3rd place J.V. Team-MMDL.

Eky Ratanaproeksa, Dean Krutty: Novice 1st place team-MMDL.

Mark Reed: 2nd place speaker-MMDL; 2nd place-SEMAL.

Jill Corson: 1st affirmative, 4th place-SEMDL.

Why have some students been carrying large briefcases around THS? These people aren't junior executives; they are members of the THS Debate Team. The team consists of four four-person teams—varsity, junior varsity, and two novice teams.

Debating is more than stating an opinion. Since every statement a debater makes must be backed up with evidence, he must compile many evidence cards. The

'79-'80 debate topic was foreign trade. Debaters are either affirmative or negative. The affirmative presents a plan for change, and the negative refutes that plan.

This year the debaters had their best season ever. The varsity team went to state, after being undefeated at districts. The other teams did quite well also. Formed four years ago by Ms. Nixon-John(coach), the team has been growing rapidly ever since.

Not very many people know about B.O.E.C., Business Office Education Club. This group is affiliated with vocational classes to enable students to better comprehend the world-of-work through competition with other schools, explains Ms. Quinn-adviser.

The club performs social and civic activities to broaden each member's outlook on the business community. To get into B.O.E.C., students enroll in a vocational class or take a business curriculum.

This year B.O.E.C. has done several activities for THS. They have sold programs at Pontiac Silverdome and conducted paper drives. They sent money from their bagel sale to Special Olympics Fund.

Varsity letter winners got together to form a club this year. It has been the first attempt to re-establish it since it was dissolved several years ago.

Although the club's objectives are good, they are having trouble "getting the ball rolling." Hopefully, the acceptance of girls in the group for the first time will help the club get off the ground.

The 1979-1980 Varsity Club officers are Mary Woehrle - Pres., Sheri Thomas - Sec'ry., Mary Deluca -Treas., Dan McGee and Mike Jazdyk - Sargeants/Arms.

Detroit Tigers beat Troy teachers in round ball

Pro baseball players playing basketball? Yes, November 28, the Detroit Tigers played round ball against Troy teachers, and won 65-52. The Tiger team included Rick Leach, Dave Rozema, Milt Wilcox, Dave Steffens, Mickey Stanley, Mark Wagner, and Jim Schmakel.

Milt Wilcox led the Tiger offense with 16 points. Team-mate Rick Leach scored 14 points. High scorers for the faculty included THS's Ron Gutowsky (a former basketball coach) with 17 points, and Boulan Park's Dave Hunter with

8 points.

Student Govt., which sponsored the game, made a \$700 profit. Through selling concessions, N.H.S. made \$170 — profitable for all.

No snow—but ski club still forms

The THS Ski Club did not have many opportunities to ski this year because of the lack of snow. As a result, you'll have to imagine them flying down the grassy slopes with the blustery 40° January breezes chapping their lips.

Mr. Frank and Mr. Vaughey, co-advisors of the club, and the skiers traditionally hit the slopes at Pine Knob and other metro-area ski resorts.

Philosophy of Man and Nature class camps and cooks

How would you like to learn how to camp and survive in the wild? You can, in the Philosophy of Man and Nature course, taught by Mr. Larry Archey. There, they used previously learned skills such as cooking with Bunsen burners and pitching tents.

Extra, extra, read all about it, the Northend, the THS monthly newsmagazine, is getting better all the time. It is staffed by tenth, eleventh, and twelfth grade students who have taken journalism, and is advised by Ms. Elaine Shapiro.

Typesetting, pasteing, making layouts, and taking and developing photographs are a few of the tasks involved. However, this work cannot be done without money, so ads are sold to many stores: often THS students model in these ads.

On March 6, third hour, after weeks of preparation, the Northend also sponsored the seventh annual Gimme Awards. Unlike previous years, there were no guest speakers. The 1980 Gladiator is instructed by a new advisor, Ms. Sandra Yerke. Ms. Yerke has four years of yearbook experience in the Peck School System. She has initiated many changes in the book, including the fall delivery date and the addition of color in the introductory section.

Since producing the best yearbook ever is the Gladiator staff's goal, they attended a yearbook seminar at Oakland University, in September. There, they observed new techniques in copy, layout, and in photography.

Deadlines are hectic. About two weeks before a deadline the whole room bursts into frantic activity. THS lighting bills go up; as quite a few staff members have been known to work after 6 p.m. on days before deadlines. Ms. Yerke's chalkboards are covered with her dire threats, and the floor is scattered with her little notes to editors.

The work never ends. Some fatigued staff members can always be found cropping and recropping pictures, making final layouts, writing and re-writing cutlines and copy....

Varsity football team discovers the thrill of victory

After 11 years of discouraging efforts—the Colts time finally came: Coach Jeff Keller, acquired from Athens, lead the Fighting Colt Mean Machine, to a winning season.

This year brought the first THS victories over Utica Eisenhower: Not only did we beat them during regular season play but gave them an encore defeat in the playoffs.

Netters exhibit stamina throughout season

Placing third in a duel meet to bring home a trophy, the girls' varsity tennis team did extremely well in the Oakland A League meet. The team brought home a first place trophy from the Athens Invitational, over six competing teams.

Coach Glenn Corey comments that the team had over-all good depth. Though they encountered a minor mid season let down, they continued and finished strong.

Mr. Nutter led his young girls swim team to a third place finish in the Oakland Athletic League. This is a brand new team, comprised mostly of first and second year swimmers! They're certainly a team to contend with for they've got a lot of power and enthusiasm and they're not overlooked by the other teams.

The Sea Colts best events are diving, breaststroke and backstroke.

Divers Amy Hagle, Mary Bartz and Meg Downey placed thirteenth, fifteenth, and twenty-seventh in state competition respectively. Kim Neeb, a freshman, placed fifth in the hundred-meter breaststroke in the state meet.

According to Mr. Nutter, "Talent is the key to a winning team," as these girls have proved with this year's great record. Who knows where they'll be in the years to come?

Janine Gagne cheers on Sea Colt team member.

The Varsity Baseball team is looking toward a very successful year. With the returning talent of Seniors Brian DePew (captain), and Dan Knauss, the only Seniors on the team, their experience will help.

"It's a question of how the season will go," comments Coach Bill McElreath. "We are a very young team and hitting is our biggest problem. There are some very good, young potential ball players that will give us strength. Also, the team works well together which will be a great advantage to the team!"

Coach Mike Rhodes pre-season prediction held true, as the girls captured the O.A.L. League title with the league record of 12-3. Coach Rhodes predicted, in March, that the Varsity Softball team should be a contender for the League championships.

With very few exceptions, the team worked and played very well together for two years. The team's two Senior captains were Bridget Johnson and Kelly Roscher.

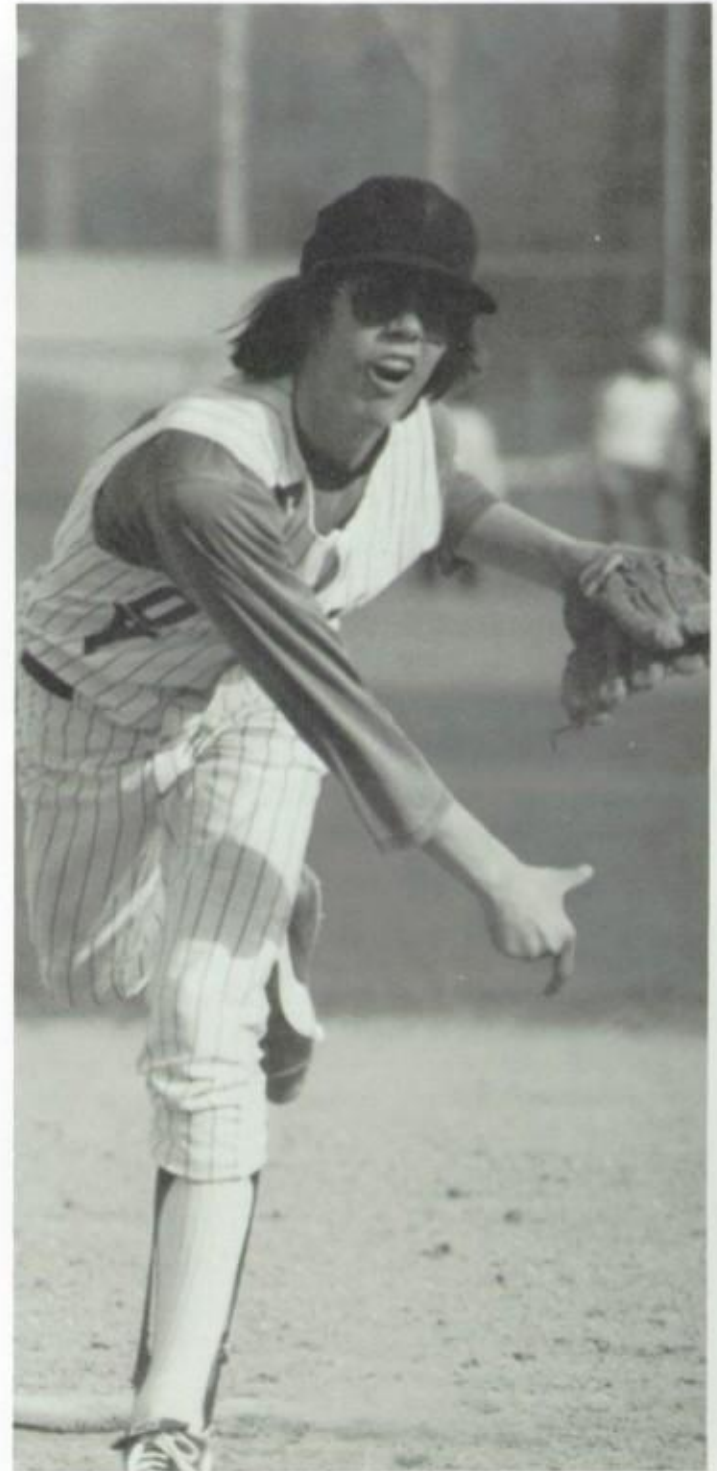

At the onset of the season, there were four strong hitters that also were outstanding defensively: Bridget Johnson-center field, Kelly Roscher-left field, Lori Shaffer-center, and Sheri Thomas-second base. Coach Mike Rhodes concludes, "Brenda Morawa and Maribeth Abedella were the main stays of our pitching staff."

"In the 1980 season we plan to have fun, to learn the fundamentals, to appreciate the game of softball, and to win as many of the games as possible," comments J.V. Coach Chuck Winzer. "They work well together, are having a lot of fun, and are very excited about the upcoming season."

The team has three Juniors and a few Sophomores who played last year; hopefully, they can help bring the Freshmen around early for a successful and promising season.

During the course of the year the many athletes of THS's various sports have received their deserved recognition at the fall, winter, and spring Sport's Banquets. After the meal, assistant principal Ms. Miller, the speaker for the evenings, would introduce the individual teams, as they assembled on the platform. Then, the announced team's coach gave a summary of that sport's activities, finishing with the presentation of the Colt of the

Year, Senior of the Year, and Booster of the Year awards. These awards are listed in the above pictures.

The Colt of the Year is awarded to the member that has had the best year and set a good example for his team.

Following that is the Senior of the Year Award which distinguishes the Senior on the team who put in more than the average dedication.

Last, but by no means least, is the Booster of the Year Award that is awarded to the teammate who keeps the team going spiritually, along with his/her talents.

Academics

Strong central administration expands School District

Joe Francis - Supervisor of Athletics.

Dr. Carl Pacacha - Executive Director of Secondary Schools.

Dr. Don Shader - Superintendent of Troy Schools.

Troy High School will be gaining a new auditorium in 1981. Along with this, there will be a new elementary school near the northwest section of town, around the Niles School area. This should be ready in 1982 or 1983. The construction for the elementary school should be started around July.

Also Troy School District will be gaining around 210 new students from the Warren Consolidated School District. These students will be attending Barnard Elementary school, Baker Middle School, and Athens High School.

These changes occur because of Superintendent Don Shader and Board of Education President Bob Bishop's diligent work and determined administrative staff.

TROY BOARD OF EDUCATION - FRONT: Carl Cohen - Vice President, Bob Bishop - President, Sue Watson - Secretary; BACK: Edith Gonzales

School pride is the Main Office's business

MARILYN MILLER, Ass't Principal - South Dakota University, W.S.U.; Interests: raquetball, waterskiing, and boating; (pictured with sec'y. Wende Earnest).

RITA BRODZIK - Clerk typist for main office.

Running T.H.S. isn't the easiest task to perform. But our three administrators, Mr. John Toma - principal, Mr. Richard Shepich - assistant principal, and Ms. Marilyn Miller -assistant principal, accomplish these tasks effectively and effeciently.

In addition to handling discipline problems and keeping the school in shape, the administration is always looking for programs and activities —such as the Gimmie Awards, the Hypnosis assembly and dances —to keep the students of T.H.S. interested in their school.

Finally, this is the first year for Ms. Delphine Kerr, Mr. John Toma's secretary, replacing Ms. Barb Mills after her move to Florida. She is responsible for getting the newsletter out, making appointments for Mr. Toma, and making phone contacts.

JOHN TOMA, Principal - C.M.U.. M.S.U.; Interests: travel and school activities; (pictured above with sec'y. Delphine Kerr).

RICHARD SHEPICH, Ass't Principal - N.M.U., M.S.U.; Interests: tennis, cross country skiing; (pictured with sec'y. Darlene Bates).

Patient people listen to student problems in counseling

SKIP SHAVER - University of Nebraska, University of Kentucky, Xavier University of Counseling; Interests: volleyball, traveling, and tennis.

CHARLES GRIFFITH - W.S.U.; Interests: skiing, hiking, and fishing.

ADAM MARVAR - N.M.U., U. of M.; Interests: camping, fishing, and water sports.

VIRGINIA HORVATH - U. of M.; Interests: walking, and gardening.

Most people would get pretty fed-up listening to others' problems all day, Troy High has three people who do just that. Everyday, and all day, our counselors listen to the students complaints.

Ms. Horvath, Ms. Shaver, and Mr. Marvar work long hours helping students with schedule changes, teacher problems, college choices, and almost any other problem a student might have.

EARLA SMITH, Guidance Supervisor of Troy School District - U. of M.; Interests: gardening, hiking, and reading; (pictured with sec'ry. Doris Rains).

CLEM KOLESAR - N.M.U., W.S.U., U. of M.; Interests: skiing, tennis, and golf.

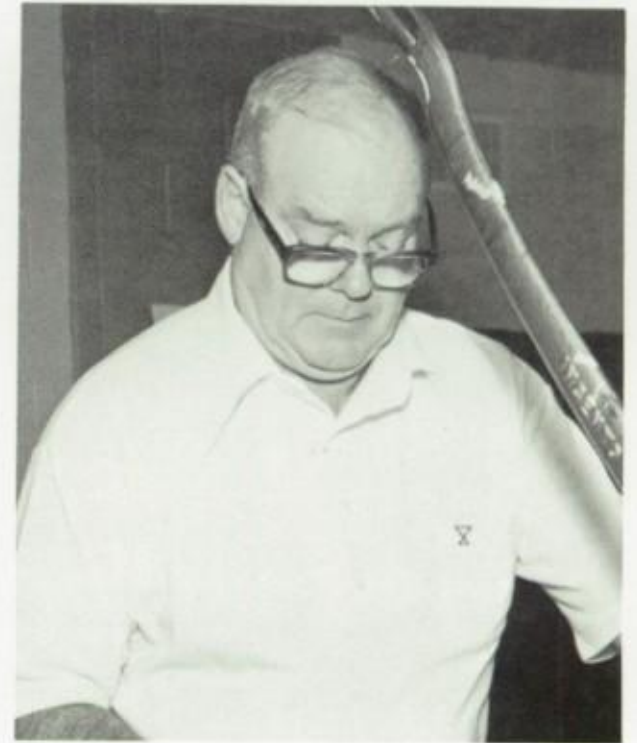

Students in special education get "on the job" experience

Mr. Pfeifer and Mr. Rhodes put their thoughts together.

ERICK PFEIFER - W.M.U., W.S.U.; Interests: waterskiing, showing dogs, and hunting.

Each of the five full time teachers in special education has a different role.

There are two resource rooms. One is for students having learning disabilities; and the other is for students with emotional problems.

Special education students are offered general academic tutoring and in addition a pre-vocational class which has a printing shop and classroom industries.

Another new face this year belongs to Mr. Don Francis. Although he may be new this year, several years ago he taught here for four years before being transferred to Athens. Mr. Francis has also taught in Royal Oak. Many recognize him because he works the scoreboards at all our football and basketball games.

COLLEEN BARKHAM - Oakland University; Interests: antique collecting.

TOM WOODSIDE - Lawrence Tech, E.M.U.; Interests: grading lab reports, automobile maintenance.

It was a cold, snowy November 29, for the fifth Annual Egg Drop. Despite the weather, however, the Physics I and II drop continued for five consecutive hours.

Ideally, "The object was to drop a raw egg in a transport 5.6 meters, from the top of our football bleachers to a cement slab below. There's just one minor, insignificant detail; the egg must not break," explains Mr. Tom Woodside, physics teacher. While many students succeeded in designing

an apparatus to protect their egg, some egg yolks broke without even scratching the shell.

Whatever the case may be, students have always enjoyed and looked forward to this day of reckoning. Why not - they can use their creativeness and inventiveness in making an apparatus; they can enjoy a full class hour outside with nature; and, least important, they can earn a total of 25 extra credit points!

Industrial arts keeps creativity alive

AL MERIAN - C.M.U.; Interests: golf, coaching, and raquetball.

Have you ever noticed students carrying large drafting boards around THS? These students may be taking industrial arts courses. These courses enable a student to enter a specific field after graduation.

Auto mechanics, drafting, electronics, and graphic arts are just a few of the available courses. Quite often, auto mechanics students open their repair shop to the public. This year, busy electronics students created an elaborate Christmas display.

Mr. Al Merian is a new teacher at THS who teaches various courses in the Industrial Arts Department.

LARRY HOFFMAN - W.S.U.; Interests: working on antique cars.

TIM HARVEY - Macomb College, W.S.U.; Interests: horseback riding and fishing.

JOHN WALE - O.C.C., W.S.U.

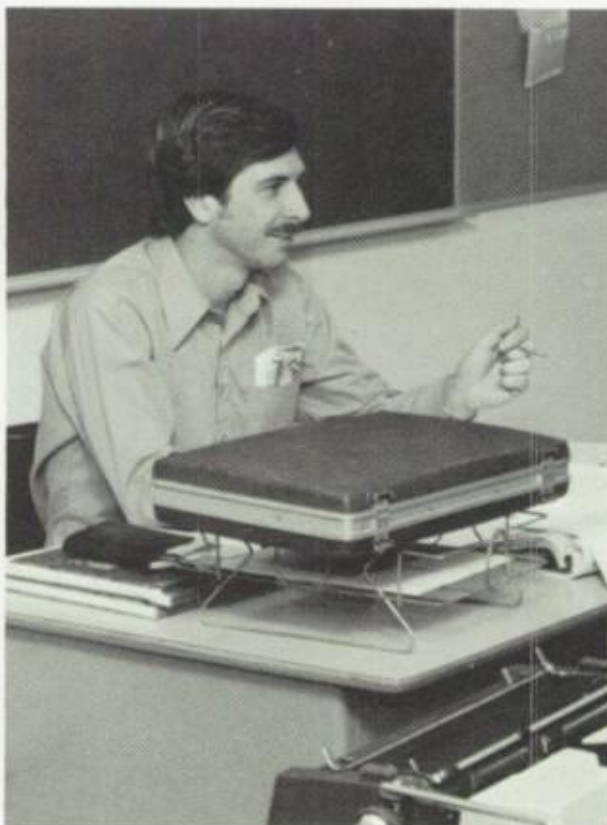

Business department expands

T.H.S. is focusing on business, with the help of two new teachers, Ms. Penny Shaffer and Mr. Mark Vranesich.

The major improvement is with the new computer system including data processing and COBAL programs. Another program introduced this year is the intermediate office phones etiquette class taught in the secretarial labs which teaches students how to take proper phone messages.

With big business rising rapidly, the techniques learned in these classes will be advantageous to the students' futures.

JAN FENECH - Career room specialist.

The Career Room has pamphlets, applications, books, films, microfiche and the MOIS and the CIVIS Computer terminals, all compiled to help confused students to plan their future.

Plus, it has a friendly Ms. Janet Fenich there to give assistance.

Goodbye fat - hello fitness through P.E. courses

How would you like to take a course with no homework? If this sounds appealing, home economics is for you. The home economics curriculum has thirteen courses.

Ms. Maskin, who teaches these

courses, says that the majority of students enjoy the change of pace her courses offer. Home economics courses are valuable, as they teach students how to be wise consumers.

The senior student may earn up to one high school and up to six college English credits. The class emphasizes basic composition, literature, and independent research. A student may only enter S.U.P.A. with an English department recommendation.

Instructors Ms. Sandra Yerke and Ms. Corrine Alonso conclude, "This is the most well-organized and beneficial composition course with which we have ever come in contact. No value can be placed on the training that the students get: It not only prepares the students for college but for life."

Ms. Marusak joins Foreign Language Dept.

CONNIE MARUSAK - Millersville State College, Westchester State College.

TONY CORNELLIER - Oakland University, W.S.U.; Interests: music, art, and rug making.

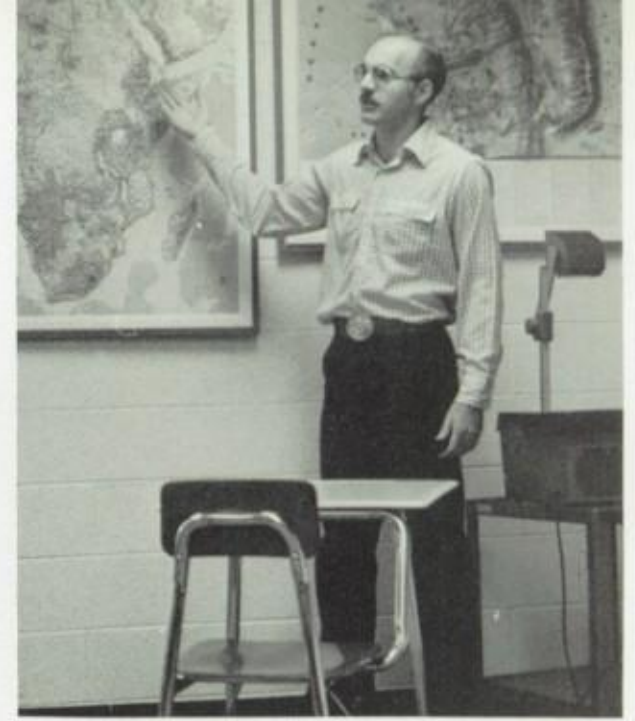

LOIS BONILLA - Oakland University, W.S.U., M.S.U.; Interests: traveling.

Guard returns to Troy High

Bob, the Guard, catches a little afternoon sunshine.

Bob, the Guard, sits in with Seniors to discuss the new parking lot procedures.

This fine lady can always be found around the halls doing a little cleaning.

Besides being the guard, Bob also helps in picking up the rubbish found around the school yard.

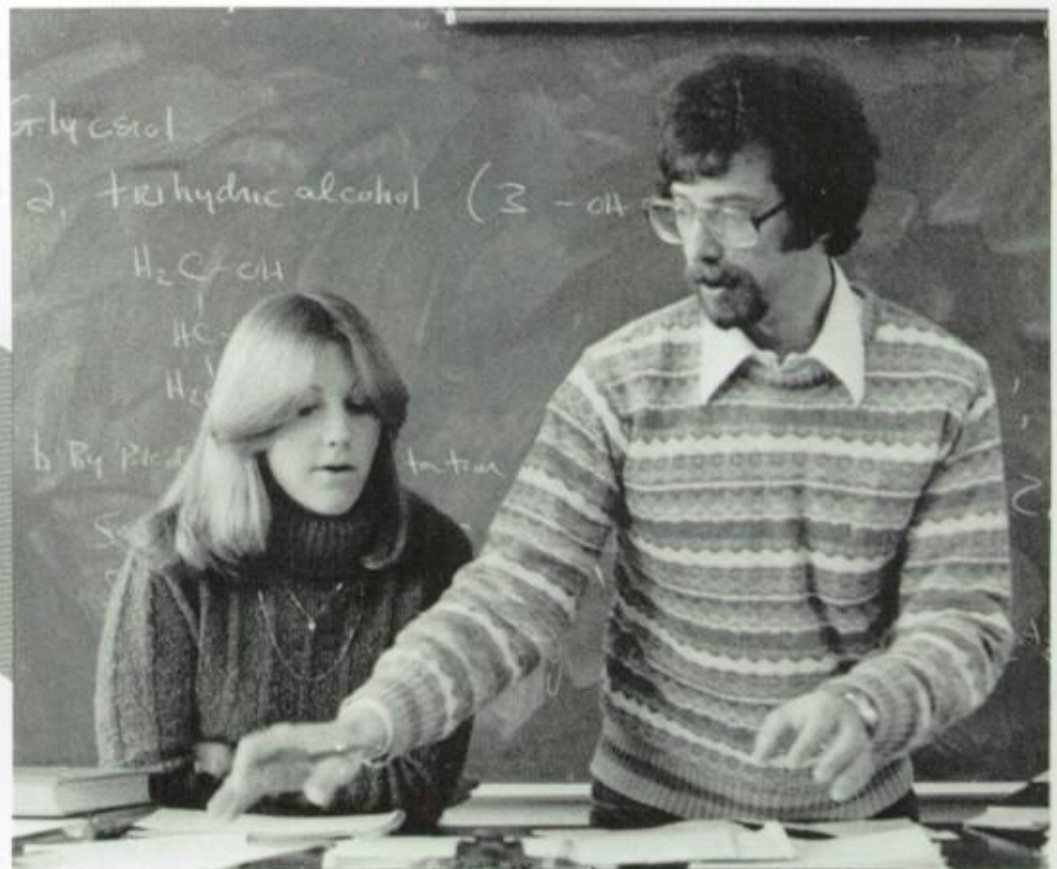

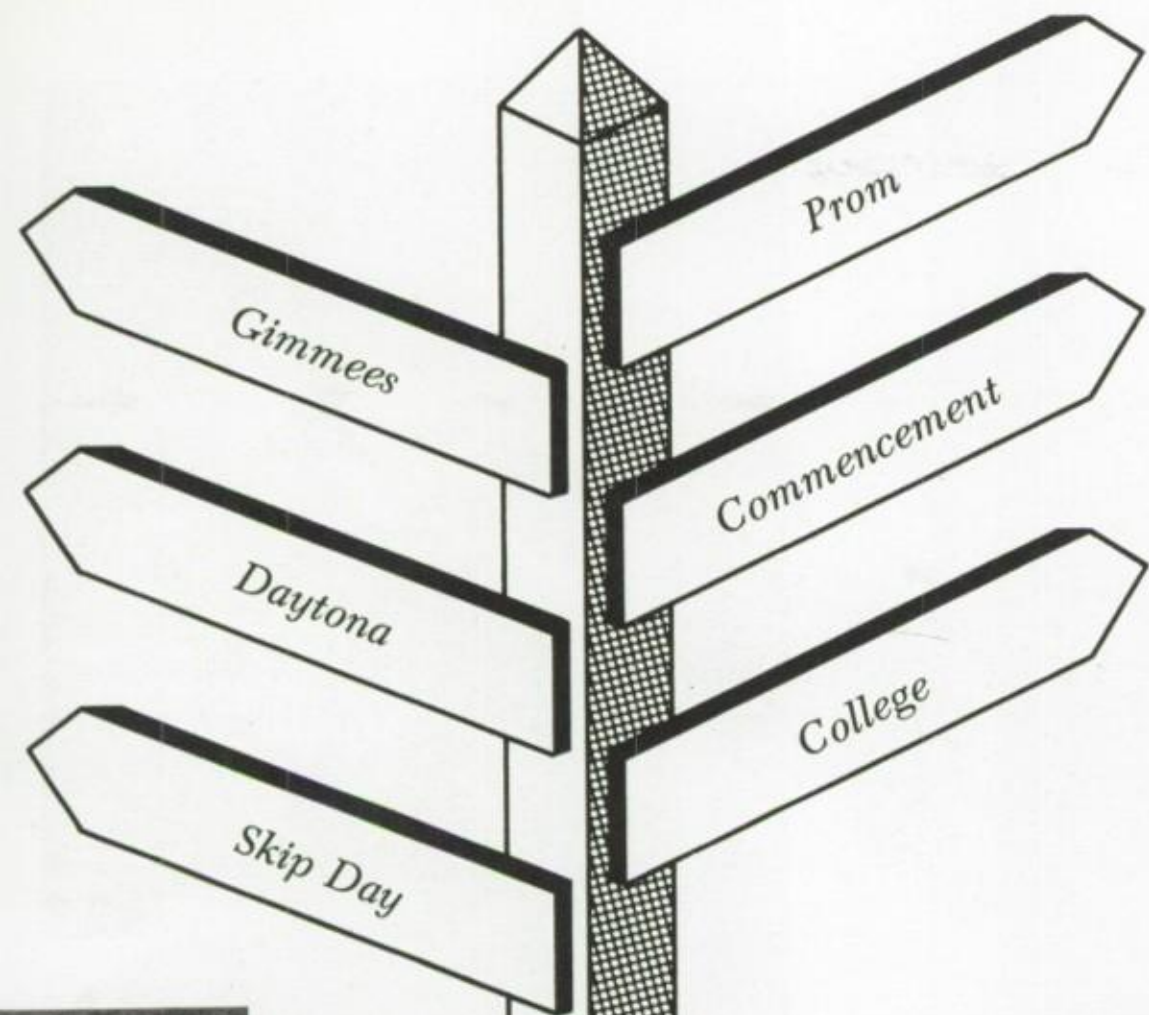

The parking lot guard was brought back because the parking lots needed more supervision: There was too much hazardous driving— speeding, squealing of tires, drag racing, etc. There was also excessive vandalism to cars and to school lawns.

Students were not respecting parking privileges. The guard's duties are taking parking money, screening outsiders, keeping an eye on the lot so there will be less vandalism.

Memories made by the class of '80

The Senior year is the Grande Finale of a student's high school career. It's a year for excitement, important decisions, and finally, tearful goodbyes.

The Class of 1980 found their year to be no exception, and it will be remembered forever. They were led by class officers: Chris Murray, President; Vic Stempl, V.P.; Leah Mann, Secretary; and Bridget Johnson, Treasurer. These four provided lots of organization and were seen at most Senior activities.

The year started off with the Senior Car Wash in September which was lots of fun and a good money-maker. It was followed by the Powder Puff Football Game with the Senior girls victorious, as they were the year before as Juniors. Homecoming festivities provided the Seniors with float parties and with King Scott Sterrett and Queen Sue Dombrowski presiding regally over their court.

Christmas came, and there were many parties where

Seniors got together to celebrate the holiday. January brought the new year and a feeling of accomplishment as 1980 had finally arrived and the count-down toward graduation began.

The first part of the year was a trying time since many of the Seniors were struggling over vocabulary tests and term papers on Hamlet: To study or not to study? That was the question. But soon the weight of homework was lifted, and 71 Seniors headed down to Daytona Beach, Florida, for a glorious week of "fun in the sun." The rest of the year went by very quickly—almost too quickly, for it was soon time to bid THS a fond farewell.

The Junior-Senior Prom was held on May 30, the last day of school for Seniors. That was followed quickly by the Honors Convocation and, finally, by graduation. THS has been good to this class: It has given security, friendships, and room to grow. It will never, ever be forgotten.

Denise Abdella, Karen Williams, and Julie Nieman get ready for the big Powder Puff confrontation.

Coach Tom Brown explains a play that made the senior girls victorious.

The THS Senior girls were victorious 27-6 over the Junior in the second annual Powder Puff game.

The Seniors were coached by Senior players: Tom Brown, Mike Jazdyk and Ron Meyers. Juniors were coached by Varsity players: Jim Cannon, Jim Newton, Vince Voetburg, Dan Jackson and Greg Brooks.

Kelly Roscher led the Senior's scoring attack with two touchdowns, and Leah Mann kicked the extra points and the field goals. Julie Calderwood scored the Junior's lone TD.

Looks like Bridget Johnson is having trouble washing that car.

The Seniors seemed quite prepared to tackle the big task ahead of them.

It looks like Keith Tubek is concentrating very hard to do a perfect job on this car.

Kelly Roscher and Kris Wangbichler put the finishing touches on that gorgeous TR-7.

Seniors suds cars, make 175 dollars

Senior class sponsor, Ms. Shapiro, brings daughter, Dana, to check on the progress.

It was a warm, sunny day—a perfect day for a car wash. The seniors were congregated in front of Troy High at 7:00 AM on Saturday, September 29th, waiting for the first car. After the first car was rinsed, soaped up, rinsed again, and dried, the flow of cars was continuous.

Snacks brought by friends and water fights between friends made the nine-hour job tolerable. At 5:00, when the last car left, the Seniors had made a total of \$175. After the long day, many Seniors were sunburned, but happy after working together.

Molly Schram and Kris Wangbichler have things under control while customers wait.

The teamwork of Leah Mann, Kelly Roscher, and Molly Schram proves to be successful.

Gimmies bring laughter and surprise to Seniors

The Seniors waited with great anticipation for the 7th Annual Gimme Awards to begin.

Next year's candidate for Most Likely Never to Grow Up, Mike Kavanagh, presents the award.

Nick Shebib flashes that Class Cassanova smile after accepting his award.

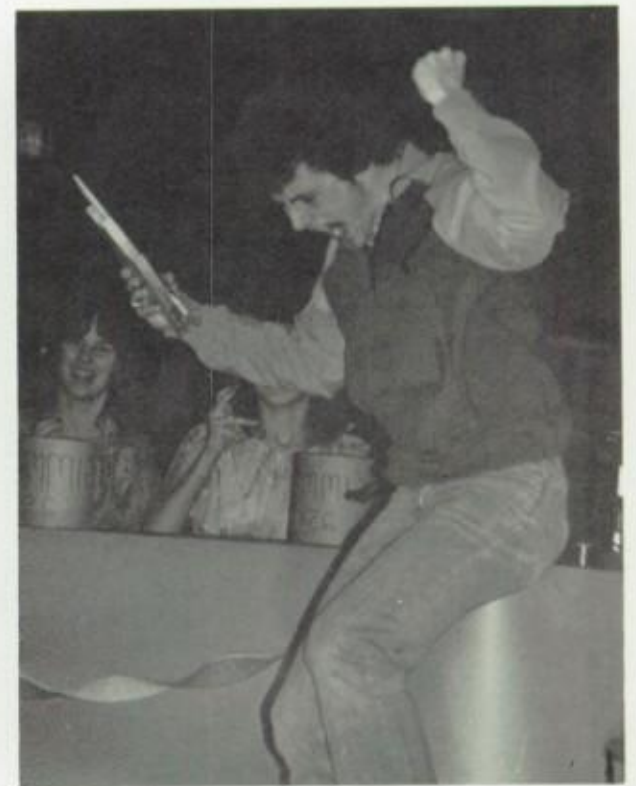

Lori wishes Jerry Taylor a Successful Future as he accepts his award.

The teachers will be sorry to lose Tom Brown, winner of the Teachers' Pet award.

Nancy Cox unanimously won Class Fender Bender after knocking down a sign during her film.

Dan McGee appropriately shows his excitement over winning the award for Class Rowdy.

In order to insure future Gimmees awards, the Northend had to run a more closely edited show this year. This involved the elimination of celebrity presenters. Many of the students were disappointed by this change, but the emcees, Editors Tom

Koney and Lori Luzader, ran a very professional program. The Gimmees annually help many of the Seniors remember each other as the Class Jock, Class Fender Bender, or Class Scholar.

Seniors migrate to Daytona Beach

The Electric parade was a beautiful way to end a fun-packed day at Disney World.

Larry Dennis is ready to roll.

Mr. Kolesar, Senior sponsor, on plane.

During a two-hour lay-over in Atlanta, the Seniors wait for the next flight that will bring them to their final destination.

6:30 A.M., Saturday morning, April 5th, 71 Seniors stumbled into Metropolitan Airport anxiously anticipating a full week of fun in the sun. Later that same day, T.H.S. seniors were "crashed" on the sands of Daytona Beach, catching the first rays, which later turned into painful sunburns.

The next week was filled with partying at the Holiday Inn Boardwalk, along with lots of laughter, parties, and a day at Disney World. They sadly returned to Troy on a rainy Friday night - exhausted, but with many happy memories.

Sometimes people preferred the warmer water of the pool to the ocean.

Some of the Seniors took a trip to Disney World and had a great time with Mickey and his friends.

The Daytona excitement was too much for Sheri Thomas.

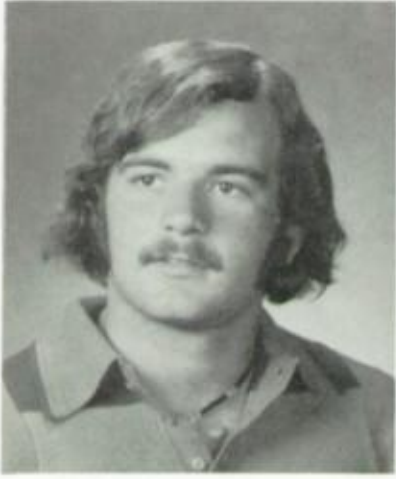

The weather was beautiful which constantly made for a crowded beach.

The homeward bound journey to the airport, was a sad one.

Prom at Petruzello's pleases 1980 Seniors

Though tickets were thirty-four dollars, about seventy-five couples attended the Prom at Petruzello's, on May 30, 1980; and everyone had a blast!

This year's band, The Spectrum, played rock-n-roll to slow-and-easy music, including the 1980 class song, "Freebird." Everyone enjoyed dancing to all the styles of music played.

Linda Lorts secures date Bill TenEyke's boutonniere.

Sue Dombrowski dances with date, Jim DeLuca.

Scott Sterrett and Corinne Basler dance the night away.

Ann Colonna talks with date Mitch Canin between dances.

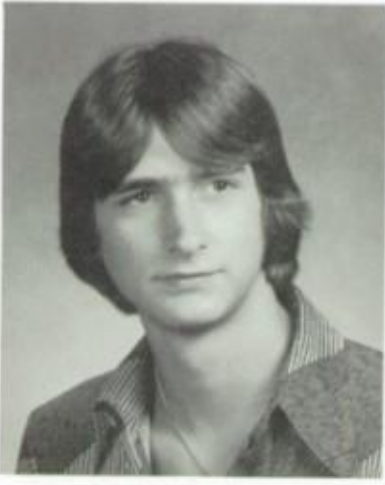

These four just finished their dinner and look forward to a fun evening.

Junior Advisors and the Prom Committee planned the menu of pineapple boats, baked chicken, flaming beef, scabaccioli, and (m-m-m) eclairs. A beautiful Colt ice sculpture, by Peter Loren (Food Service Director at Athen's Golden Terrace Restaurant), graced the buffet table.

After dinner Bill Williams Studios took pictures in the lobby. While in line to get pictures taken, couples again had the opportunity to talk to friends made during the school year. For remembrance of the 1980 Prom, smoke colored water glasses and a memory booklet of the evening's events were placed at each seat for attenders to take home.

The Seniors float this year came in third place. In keeping with the Fairy Tale theme, the Class of '80 chose "The Old Woman in the Shoe." The finished product was an old woman leaning out of a Troy Colt football cleat while her rag-doll children watched her swat dreaded Avondale Yellow Jackets.

Seniors found time to drop by float meetings held at Keith Tubek's house to help between hours of calculus problems and vocabulary drills or selling burgers and typing memos. Working and laughing together, they anticipated a winner.

June 5, 1980, was the second time that THS's Honors Convocation was held in the evening and again was a success.

This is not only to honor the top ten students but those with great accomplishments in scholastics or activities, making up more than half of the Class of 1980.

Awards were given out by the Rotary Club, the Junior Woman's Club, Troy Youth Association and many others. Monetary scholarships were given out by the Kiwanis Club, Elks Club and colleges—ranging from U. of M. to Cornell. There were departmental awards given from all areas of study from the sciences to Phys. Ed.

Honor cords were given out for outstanding grade point averages. White cords were for a 3.0 to 3.49, and gold cords were for 3.5 to 4.0. Members of N.H.S. were also presented white collars with the N.H.S. emblem.

Over half the Class of 1980 honored at convocation

The top ten students were: Brenda Morawa; Jerry Taylor, valedictorian; Kristen Hazel, salutatorian; Bob Schlueter; Mary Woehrle, valedictorian; Tom Brown; Lori Luzader, valedictorian; Jeff Krieger; Corinne Basler; and Doug Bourdean.

Tom Koney, who's going to Cornell next year, receives an award from Mr. Toma.

Mr. Marvar presents Mary Woehrle with one of her many awards while Kris Wangbichler looks on.

Joe Ryan receives the Departmental Award for French from Monsieur Cornellier.

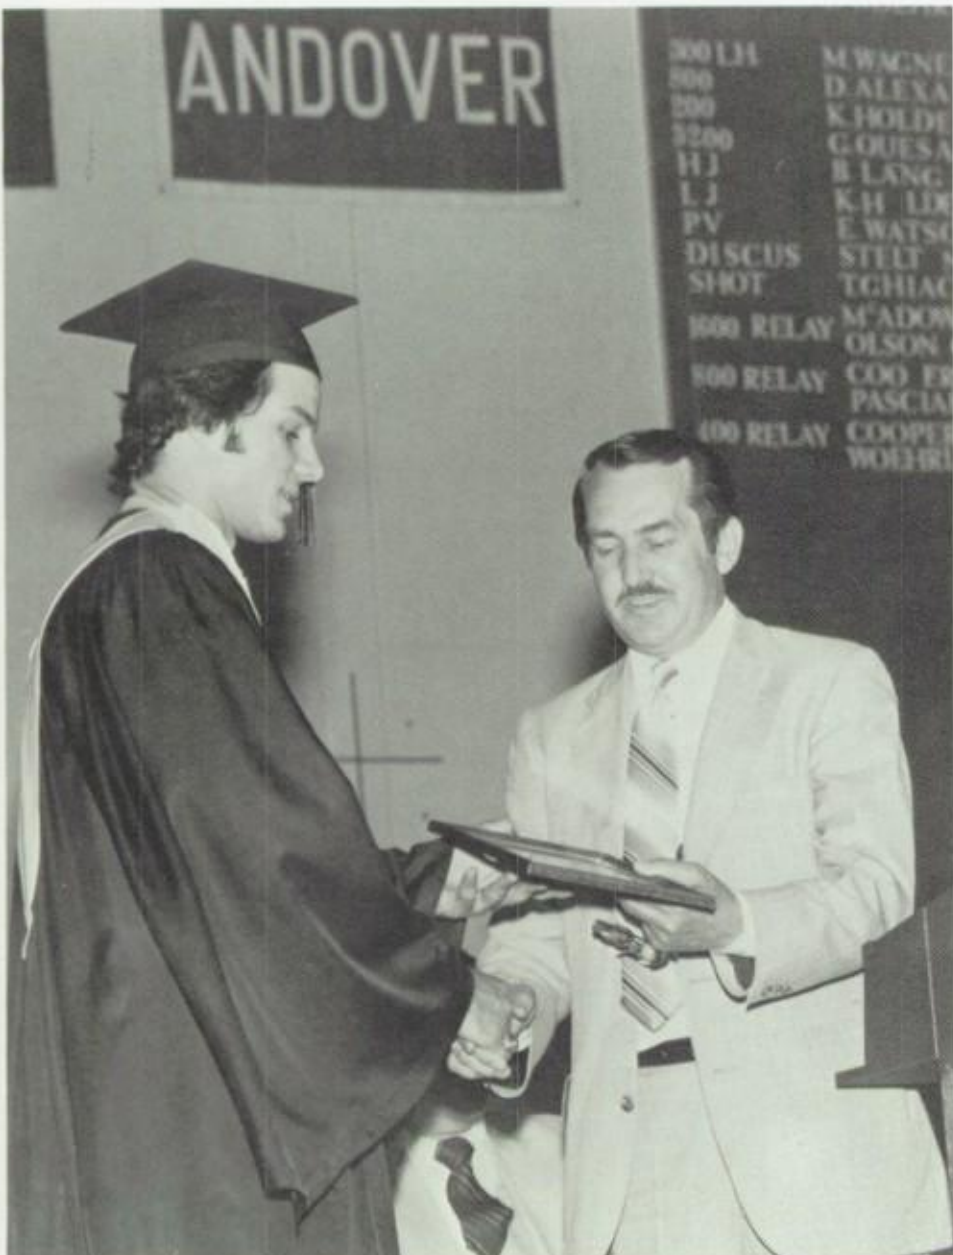

The three valedictorians—Lori Luzader, Jerry Taylor, Mary Whoerle—and salutatorian Kristen Hazel worked hard to be at the top of the class.

Michelle Munday, you're going to college next year, and you can't bring Kenda McLaughling along to dress you; sorry!

Tom Brown, future U.C.L.A. student, took many awards for his excellent academics and presidency of Student Government.

Maribeth Abdella, President of B.O.E.C. Club, receives the Departmental Award for Business from Martha Quinn.

Jerry Taylor did a fine job as President of N.H.S. and receives his collar from sponsor Corrine Alonso.

Storms threaten 1980's Commencement

After four years of homework, football games, basketball games, and exams, the big day, June 7, 1980, finally arrived for this senior class. This day brought relief and happiness but, perhaps, brought also a twinge of sadness because close friends soon would be going separate ways.

This year's graduation was held at 8:00 P.M. at Meadowbrook's Baldwin Pavillion at Oakland University: This was instead of the traditional afternoon ceremony held in the past, a fortunate decision since there were daytime thunderstorm and tornado warnings. These warnings were lifted right before the ceremony, and there wasn't a drop of rain throughout the entire evening.

Dr. Shader, Superintendent of Schools, welcomes all to the evening commencement exercises and is about to introduce Valedictorian, Jerry Taylor.

The big moment has arrived for Dave Elliott; the diploma is finally placed in his hand by THS Principal, Mr. Toma.

The pavillion was beautiful, bathed in lights; and it held a full house.

Off come the cap and gown, and the celebration is about to begin.

First seniors to their seats: John Addington, Barb Appostoll, Mark Arft and Lisa Avery.

Molly Schram, as she comes down the steps, is congratulated by Treasurer Bridget Johnson.

Salutorian Kristen Hazel makes her speech, a reflection of the past four years at T.H.S.

The Junior Class officers lead the Class of 1980 down the Baldwin Pavillion steps.

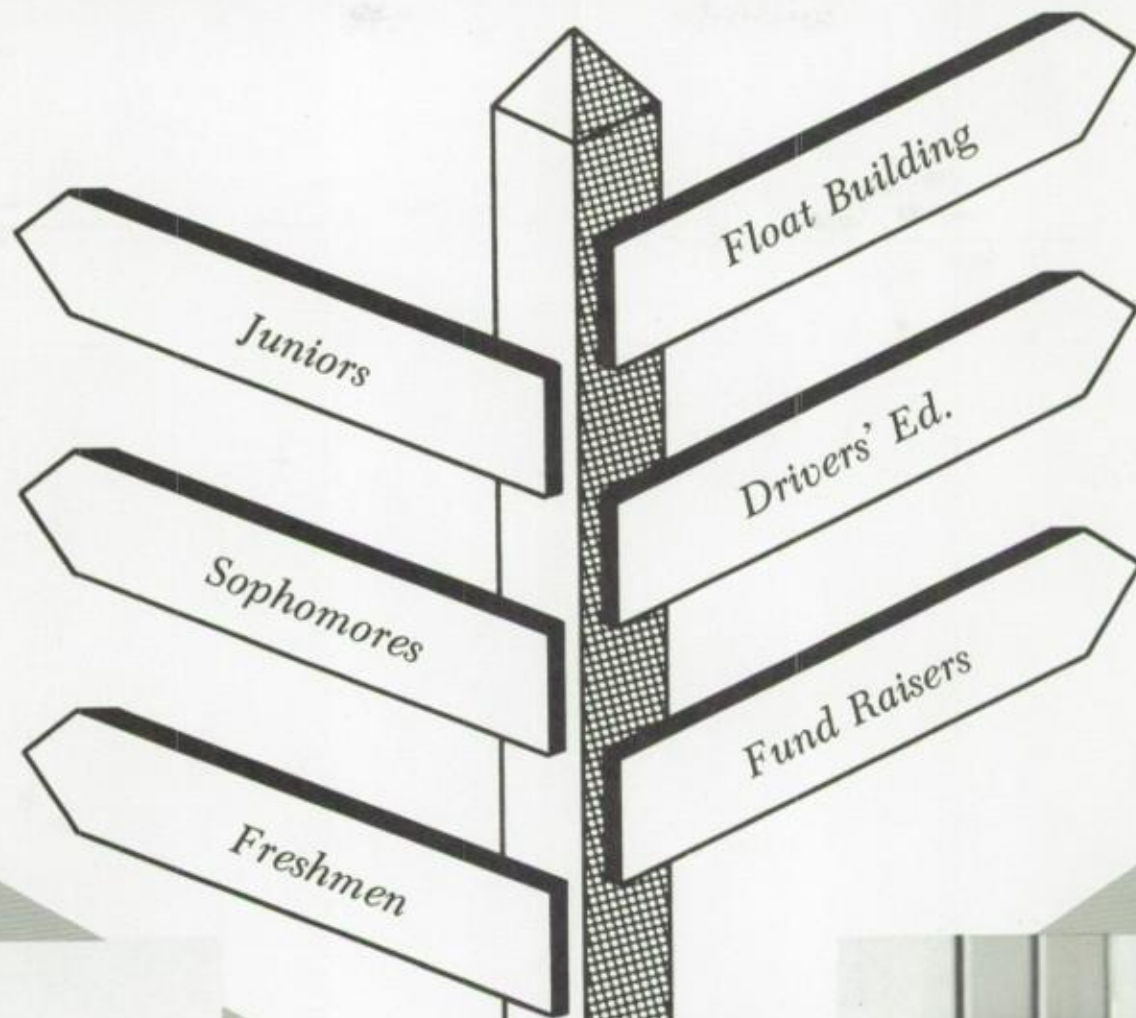

Cindy Fielding is congratulated and set on her way to a college future.

The final step of graduation is when the real diplomas are handed out after the caps and gowns are handed in.

24-hour Restaurant?

"I couldn't believe it...scrumptious homemade special—seven days a week!"

J. Michael Smith, Pleasant Ridge

"Finally, a family style restaurant that believes in old fashioned quality and service. This food is just like mother used to make— only better!"

Marie Drotar, Troy

"I discovered the Coach Stop by accident after doing inventory 'til 3.m. Now I look for any excuse to drop in."

Marc Robling, Sterling Heights

"I confess—I've got a real weakness for french toast. It hits me at the craziest times. Good thing Coach Stop serves breakfast anytime."

Karl Nilsson, Birmingham

Kimberly I will make you happy and I will not use contractions. I can't take it any more. I've got to use them. It's more fun that we "studied". It's really during the tests. Actually we studied using your contractions. Don't ever stop keep in touch girl! And remember your unique Greek girl! Love Love Love @ So.

Kim,
Anybody with a last name of Ball has to be cool. It has been fun watching you & Debbie bother Moreno & Sra. I like crazy people (I'm crazy too, if you haven't guessed). You are also a very serious person at times. Keep both sides. I'm sure you will do well in college and later. Have fun & take it easy.

Ola!

We had a great time in English, and I would have failed all those vocab tests without you. Have lots of fun at State, and come and see me in Tennessee.
Steve Moore

Kim -
English was so much fun and with your sly comments to Steve all hour, it made the class a riot. Best of luck in whatever you do and if you're in the neighborhood at E. Jones stop in and see me at MSU. Take Care.

Scum, (Wee Wee)

Troy will never see another person like you. (Thank God!) I felt really weird when you are around. I'll miss ya' next year. You have started many crazy trends none of which will be soon forgotten, like your complete word sentence, Ka-Ka's, any other strange things you came up with. The trip to St. Rapids

was a mem. You are one! You are someone will definitely not forget. See ya' soon!

Love,
Tom

Here's hoping you have a great year & make a part of my senior year. You will be my many I.P.S. always. A NEANY I. P.S. Always. Peachy B.C.!

Markos
Forever (Dr. Espinoza)

Kim,

I'm really glad that

I got to know you this year. You're a really sweet person and you're fun to be with. I hope to see you sometime this summer before you go to school. Good luck in everything you do, because you deserve the best.

Love
Lisa

"81"

I'm really glad you
 moved next door to me.
 Hope I will be seeing
 you alot. Will have a
 real riot a the pool
 (boy). Thankx you going
 to the party with Becky
 and I. That party would
 have been the pits with
 out you and Debbie. Good
 luck at college. I hope
 you can come and visit you
 sometime. Take care.

Love,
 Melanie

I hope you are having a good time at college. I hope you can come and visit me sometime. Take care. Love, Melanie

Remember the
 Good Times in Vaughsan
 class and all the
 stupid things we
 did. Well the year
 is finally over. It
 was great getting
 to know you. I am
 sure it was hard
 moving here the
 last year but it
 was a great year
 wasn't it? Good
 luck at state next
 year. Have a good
 summer.
 80' Love
 Kimberly

Kim,

Hi, I just met you
and now it is time
to say good-bye. I am
glad I got to know
you this year. You are
a fun person to be
with. Best of luck at
College, don't forget
the days here, just
the people. We also
have a lunch to
keep before you run
away. Keep in touch
over the summer.

362-3195 love,
Sue Bowden

Kim,
I'm so glad you moved here and
I got the chance to meet you because
you are such a wonderful person.
I just wish you had come to Troy
sooner - we just met you and now
you are off to the big world. I
wish you luck in everything you
do because you deserve it. We are
going to miss you and you're so
crazy. You sure added some
zing and laughter to our boring
days here at THS and I really
appreciate it. I will never forget
you and Deb with your "HA! HA!"
and "contractionless" language
and I hope you can always
stay laughing. Keep in touch
over the summer, okay?

Love, 643-0539
